We, the Jr. Exhibitor and Parent/Legal Guardian, certify that we have read, understand and will abide by the Livestock Rules as stated in the Online Catalog and all rules and regulations of the South Texas State Fair. We further certify that we have not administered and, to the best of our knowledge, the animal(s) listed above has not received any substance not approved by the FDA and/or USDA for consumption by animals. This entry is not, nor will be, within any withdrawal time relative to the administration of any drug, chemical, or feed additive approved by the FDA and/or USDA by the time the animal(s) is/are officially weighed in at the show.

If the animal requires emergency treatment while on the show grounds, only a licensed veterinarian will be allowed to administer any drug, chemical, or feed additive. The exhibitor may choose any licensed veterinarian, but the Official Show Veterinarian must be notified, in writing, of any treatment given. All treatment costs are the responsibility of the exhibitor. If an animal is treated by a licensed veterinarian while on the grounds and the medication administered exceeds fifteen (15) days withdrawal time, the animal(s) will be disqualified and not allowed to show. If an animal(s) is disqualified, it must be removed from the show grounds by the exhibitor immediately.

We certify that we understand that the South Texas State Fair reserves the right to condemn and/or disqualify any animal either live or slaughtered, or any animal found with a quantity of diuretic or any unapproved medication and the exhibitor will forfeit all auction sale and/or premium money. If the animal is disqualified, the exhibitor will be barred. If an animal(s) is disqualified for testing positive and/or the carcass condemned at slaughter, the class placing may be changed.
