We, the Jr. Exhibitor and Parent/ Legal Guardian, certify that we have read, understand and will abide by the **Exhibitor Rule Book** and all rules and regulations of the South Texas State Fair. We further certify that we have not administered and, to the best of our knowledge, this entry, Rabbit Meat Pen, has not received any substance not approved by the FDA and/or USDA for consumption by animals. This entry is not, nor will it be, within any withdrawal time relative to the administration of any drug, chemical, or feed additive approved by the FDA and/or USDA by the time the animal is officially weighed in at the Show.

We agree that if an animal requires emergency treatment while on the showgrounds only a licensed veterinarian will be allowed to administer any drug, chemical, or feed additive. The exhibitor may choose any licensed veterinarian, but the Official Show Veterinarian must be notified, in writing, of any treatment given. All treatment costs are the responsibility of the exhibitor. If an animal is treated by a licensed veterinarian while on the showgrounds and the medication administered exceeds 15 (fifteen) days withdrawal time, the animal will be disqualified and not allowed to show. If an animal is disqualified, it must be removed from the show grounds by the exhibitor immediately.

We certify that we understand that the South Texas State Fair reserves the right to condemn and/or disqualify any animal either live or slaughtered, or any animal found with a quantity of diuretic of any unapproved medication and the exhibitor will forfeit all auction sale money. If the animal is disqualified, the exhibitor will be barred. If an animal is disqualified for testing positive and/or the carcass condemned at slaughter, the class placing may be changed.
