Do you plan on attending the 2020 Osceola County Fair and want ID Badges/Parking Passes printed? YES NO
 *Each year we needlessly print several badges and passes that are not picked up and wasted. To help save KVLS money and our staff time, just let us know if you are not going to be attending. Unsure, no problem, check yes. But if you simply enjoy continuing to support KVLS but are not able to get back to the area each year and/or utilize Silver Spurs Passes, Sponsor Passes, etc. please be kind and let us know you will not be by to pick up your pass packet next year. THANK YOU!
