FLORIDA DEPARTMENT OF AGRICULTURE AND CONSUMER SERVICES COMMISSIONER NICOLE "NIKKI" FRIED

Welcome to the Osceola County Fair & Livestock Show!

Each year, approximately 5 million people attend one of the numerous fairs around our state. As Florida's Commissioner of Agriculture, I am enthusiastic about the positive impact fairs and livestock shows have on the agricultural industry.

Events like the Osceola County Fair & Livestock Show are an excellent platform for showcasing the finest "Fresh from Florida" products as well as the industry's latest technological advances and innovations.

The Florida Department of Agriculture and Consumer Services created and maintains the "Fresh from Florida" program, which assists small and large producers alike by promoting the wide variety of high-quality products that are grown and harvested in Florida. You can support this program just by looking for items with the "Fresh from Florida" label. Together, we can help our state's agricultural industry continue to thrive.

While you are visiting the Osceola County Fair & Livestock Show today, I hope you will take the opportunity to enjoy the outstanding food, entertainment, contests and youth exhibits. Most importantly, I hope your day at the fair will allow you to experience Florida's agricultural roots and its impact on our great state. Enjoy!

Sincerely,

Nicole Fried
Commissioner of Agriculture

Welcome to our 76th Annual Osceola County Fair and Kissimmee Valley Livestock Show as we Celebrate “Round up the Red, White & Moo”. With ground acts, fantastic music, wonderful food, and our annual Miss Osceola Pageant, the 2020 edition of Osceola County’s largest annual event will be better than ever. Our fair is more than just carnival rides and snow cones. Our nonprofit organization foster development of education, commerce, industry, and agriculture for thousands of youth in the Kissimmee Valley Area. Each year we award more than \$75,000 in premiums, scholarships, and trophies and \$600,000 in market sales to residents of Osceola County. There is an opportunity for everyone to get involved from 4H and FFA students to our senior residents, and everyone in between. Get started today and be part of this amazing tradition. We hope all residents of Central Florida and beyond take the time to enjoy a day at the fair. Although that acts are better than ever, the rides are bigger than ever, and the food is even more creative and yummy, our traditions and sense of family remains the same. We invite you to stop by for an afternoon or spend an entire weekend enjoying all that we have to offer.

Join us for the Roundup!

Sincerely,

Shawn Beck, President
